MICROSTAT

DIGITAL DOCUMENT SERVICES

Convert your paper files to Electronic Format

*Make life easier
for you and your team*

Access your patient files from
your practice management system

www.microstat.co.uk

What this means to you

- Instant access to patient files
- Full text, 'google style' search
- No more filing, re-filing or lost files
- Released office space
- Saving time
- Full disaster recovery (fire, flood, theft)

Who are we?

- Established 27 years
- 300 million documents scanned
- Health Sector specialists with 1 million documents scanned for MidexPro clients
- References available from Hospitals, Clinics, Private Practices and Specialists in every area of medical care

How?

We collect and scan your paper files and index them for automatic integration into your existing practice management system.

'As simple as that'

What we do next

Tim Myatt will personally visit, answer your questions, discuss pricing and show you working examples of sample patient files.

For an appointment call Tim on 0121 486 2020 or e-mail tim.myatt@microstat.co.uk
